

THE RECYCLING PAVILION AT CMPL

CMPL is proud to announce the launch of the **Recycling Pavilion at CMPL Delhi**, a dedicated space showcasing the latest advancements and innovations in the sector. This exclusive pavilion will **showcase latest technologies, tackle pressing issues, legislation, and opportunities**, while the **concurrent Knowledge Series** will unite the entire value chain, fostering collaboration and driving the transition towards a circular plastics recycling industry.

In line with government initiatives, this pavilion will emphasize the importance of continuous improvement and innovation in recycling practices, encouraging the adoption of cutting-edge technologies and expert collaborations to enhance recycling methods. **The government's commitment to supporting sustainable waste management and recycling initiatives will be a key focus, highlighting the need for collective action towards a more circular future.**
